" Statement OF The Case (And) Memorandum "

New Castle County Police came to my home. I was under a lot of medication and was un-responsive. They call the Ambulance and I was taken to Christiana Hospital. The officers who call the ambulance left and other officer was left watching me. Who got tired and call Howard R. Young Correctional Institutional Staff of Gander Hill prison to watch me. One woman who volunteered to watch me change her mind. Said she just got payed and she leaving. Said she is taking

me to Gander Hill Prison. I asked what am I charged with explained I did not commit no crime. She said she don't care. They left me in her hands and she not letting me go, she is taking me to Gander Hill Prison and let them deal with it. That's how I got in Prison illegally. I complained to Gander Hill Staff and Warden, (8) eight days later I was subpoenaed by Judge or prosecutor to appear at The Court of Common Pleas."

### Prosecutor Misconduct

At Preliminary Hearing April 22, 2005 the prosecutor presented Fraud and Perjury. She put on a officer who was there for another case as if he was my arresting officer. Under cross examination I broke him and caught him in numerous lies. He finally broke down and said he did not arrest me, nor did any other officer, and he did not see my arrest, nor was there, nor did he know who might have arrested me. The prosecutor nor judge could show a valid warrant.

### Judicial Misconduct

After I asked the judge and prosecutor who was the arresting officer and they could not tell me. I ask for a valid warrant they the judge and prosecutor could not give me one. And the officer had testified that him, nor any other officer had pressed charges, that no officer press charges. Then I move the court to Noli-Process and or Dismiss the charges. This judge refuse to obey the law, Rules of evidence and Rules of Criminal Procedure. And refused to Noli-Process the charges, nor Dismiss them although there was no arresting or prosecuting officer. The prosecutor had type her own warrant.

### "Indictment Fraud"

The prosecutor went to the grand jury to get a Indictment But No Indictment was returned by a grand jury. So she typed

her own.

## " Indictment and Warrent Fraud "

The Warrent was made up and typed up by the prosecutor. No officer filed it or signed it. Nor did a magistrate or judge issue a warrent. The prosecutor claimed that a grand jury returned 9 charges. But after a close look at the Indictment it is fraud. It's stamped in two places instead of one. So no grand jury foreman signed and approve a indictment. It's only a paper prepare by the prosecute, as the warrent is. The warrent is prepare to be sworn in Court 20, Justice of the peace. It is clear clear that New Castle County Police Justice of the Peace is Court 11, not Court 20, Justice of the peace. The Proper Jurisdiction for New Castle County Police to file a Warrent is Court 11, Justice of the peace. Therefore both the warrent and Indictment is Fraud.

## Conclusion

These (4) Justice Mandated that I am Legally Detained. To be legally detained then my oath and Affidavit and Declaration that the Statement of Fact and Memorandum above must be false. If it has been Prove false then these Justices must know or have a answer to the requested information I Moves this Court to Order. I Claimed that every thing in my Statement of Facts is true and Correct under penalty of perjury. By this Writ of Mandamus they can have a chance to explain if what the mean is every thing I said in my Statement of the fact is true and how I am still legally incarcerated, Or whatever. They refuse me a Right to know How what I State is true and yet I am still Legally Incarcerated. Therefore this Honorable Court should "Order" the information Requested by Mandamus.

## " Oath and Affidavit "

I Declare the foregoing true and correct under penalty of perjury  
 Declared before me this 4th day of October 2005 at New Castle County Delaware
